

DO YOUR EMPLOYEES HAVE EASY ACCESS TO THE INFORMATION THEY NEED?

Optimize performance management with a cost-effective, integrated business intelligence solution.

With our customized solutions—built on the Microsoft® business intelligence platform—you can help boost business performance by:

- ◆ Giving employees easy, automated access to information and intelligence throughout the entire organization.
- ◆ Helping to ensure widespread acceptance and adoption through familiar Microsoft Office system applications.
- ◆ Increasing information technology (IT) security and control while streamlining system deployment and management.
- ◆ Implementing a cost-effective, scalable solution that drives increased value from IT investments.

TAKE THE NEXT STEP

Call us today at **(717) 474-3386** to schedule your free data and business intelligence assessment.

During your assessment, our experts will help you identify the following:

- ◆ Determine the maturity level of your organization's data.
- ◆ Discover all of the sources of data within your organization.
- ◆ Define a solution that will ensure technology as a more strategic asset to your organization.

Don't worry about technology...just get MAD

EMPOWER YOUR EMPLOYEES WHEREVER THEY MAKE DECISIONS.

AFFORDABLE BUSINESS INTELLIGENCE SOLUTIONS TO MAXIMIZE YOUR ORGANIZATION'S INFORMATION TECHNOLOGY INVESTMENT.

In today's workplace, getting the right information, in the right format and at the right time is critical to making the best business decisions. However, outdated technologies and unidentified data sources can hinder your organization's ability to meet this need.

Our business intelligence solutions feature innovative Microsoft products that rapidly and securely gather, store, analyze and deliver high quality information. They can help your organization boost business performance by giving your employees easy access to the information they need—wherever they make decisions. All facets of decision making are supported via:

- ◆ **Self-Service Reporting**
- ◆ **Ad-Hoc Analysis**
- ◆ **Balanced Scorecards**
- ◆ **Executive Dashboards**
- ◆ **Team-Based Portals**

At MAD Technology Solutions, we can design, implement and support a business intelligence solution for you at an affordable price. We can also customize and extend your existing solution to meet your specific needs now and in the future. In fact, we specialize in providing complete, end-to-end integrated business intelligence solutions to small business.

Our business intelligence solutions are always designed to enhance productivity and deliver a return on investment to our customers. You gain all the benefits of a team of IT experts—without the expense of adding more employees.
